

Manager

- **Not-For-Profit Service Provider**
- **Multi-Faceted Challenges**
- **Around \$85,000 Package Neg**

With over 125 years experience in working with people with disabilities - our client- a highly respected organisation, has maintained a long-standing reputation of excellence - and continues to enjoy a high profile - due to their innovative approach to business and services.

As part of the senior management team, emphasis of this challenging position is on delivering client services and increasing decentralisation. This will involve you in expanding the organisation's profile and achieving revenue generation, with full financial control, through the efficient management and motivation of an established team.

To enjoy success in this multi-faceted, 'hands-on' role, you will possess broad managerial and leadership skills with a caring nature, balanced by a strong commercial focus (ability to raise revenue), preferably gained from areas of: **Human Services, Disability Sectors, Health Care, or other Service related industries.** Appropriate tertiary qualifications will be a distinct advantage.

If your aspirations and achievements meet the above, our client can offer a rewarding career in a stimulating environment with the satisfaction of **genuinely "making a difference"**.

Please contact **ROGER HILTON**, or forward (email, post or fax) a resume in total confidence, quoting reference no: G4002 by Wednesday 13th November.
